Donation of Images ~ Thank you.

Early this year, the Niwot Historical Society was the recipient of hundreds of Niwot photographs, slides, and digital images which Niwot historian, **Anne Dyni**, donated from her research collection. We are grateful for this donation to the archives and will preserve them for future generations.

Anne is a past president of the Niwot Historical Society, served many years on the Board of Directors, archived donated items into the NHS Artifact Collection, was a co-coordinator of the Niwot exhibit at the Longmont Museum, has conducted tours and other activities. She is the author of *Echoes From A Railroad Town* in 1994, *Birth Of A Railroad Town* in 2011, and *Around Niwot* in 2015. She received permission from the NHS Board to incorporate many Niwot archived images in her publications.

These donated images are being added to the NHS Digital Photo Collection and will be uploaded to the new Niwot Historical Society website. NHS is thankful that Anne has granted these photos to become the property of the Niwot Historical Society.
